# WHAT PEOPLE ARE SAYING ABOUT CAMP YOGA

*We can't make this stuff up!*

I had no idea what to expect going into Camp Yoga as this was my first yoga getaway of any kind. It was an amazing weekend of community, love and new beginnings. Everyone was laughing, smiling, talking and treating each other with love and kindness, isn't that what life is about?!?!? I look forward to next year. Thank you Chesley and the staff at Campy Yoga for your hard work and dedication to touch the lives of people everywhere!

I attended Camp Yoga BC (alone) in May 2017 and I have to say it was one of the best things I ever did for myself. I made new friends as soon as I stepped onto the ferry, and I felt like I made 200 friends after I left. All of the classes and instructors were so unique and special, I felt like I really experienced something I wouldn't have anywhere else. If you have an opportunity to attend CY (in any city, because I'm sure they're all equally amazing), make it a priority. I know I hope to attend all of them one day.
